**Volt: 110/220V**  
**Frequency: 50-60 Hz**  
**Installation: Magnet**  
**Power Source: 4 ft cord with plug**

**Why choose an oil proof U-type lamp?**

**There is a lot of oil on sewing machines. If the U-type lamp is not oil proof, the oil would cause the LED lamp to lose brightness or stop working completely.**

**\$15.00**
